

With A Little Help From My Friends

(Kostis)

What would you think
If I sang out of tune?

Lend me your ears
And I'll sing you a song

(C!C!C!)

Would you stand up
And walk out on me?

And I'll try not to
Sing out of key

**Oh, I get by with a little help from my friends
Oh, I get high with a little help from my friends
Oh, I'm gonna try with a little help from my friends**

What do I do
When my love is away?

How do I feel
By the end of the day?

Does it worry you
To be alone?

Are you sad because
You're on your own?

**No, I get by with a little help from my friends
Oh, I get high with a little help from my friends
Oh, I'm gonna try with a little help from my friends**

I need somebody to love

I want somebody to love

Yes, I'm certain that it
Happens all the time

I can't tell you
But I know it's mine

Do you need anybody?...

Could it be anybody?...

Would you believe in
A love at first sight?

What do you see when
You turn out the light?

**Oh, I get by with a little help from my friends
Oh, I get high with a little help from my friends
Oh, I'm gonna try with a little help from my friends**

I just need someone to love

I want somebody to love

Do you need anybody?...

Could it be anybody?...

**Oh, I get by with a little help from my friends
Oh, I get high with a little help from my friends
Oh, I'm gonna try with a little help from my friends
Oh, I get by with a little help from my friends
With a little help from my friends...**
